

# HONOR ROLL 2008-2009

THE CHICAGO PROVINCE OF THE SOCIETY OF JESUS

Because of the work of Jesuits such as Frs. Terry Charlton and Jim Collins, as well as the generous partnership of many friends of the Society, St. Aloysius Gonzaga Secondary School serves a growing number of AIDS affected children in the Kibera Slum of Nairobi, Kenya.

Fr. Cy Whitaker, SJ, was ordained this year in June at Gesu Parish in Cleveland, Ohio. Fr. Ray Guiao, SJ, in the tradition of the apostles, lays his hands on Fr. Whitaker's head, praying silently, as a sign of the conferral of the Holy Spirit.

L. Adam DeLeon, SJ, now in his regent stage of formation at Christ the King Jesuit College Preparatory School in Chicago, sits with recently graduated Chicago Jesuit Academy students Maurice and Jaquan, both of whom now attend college preparatory high schools in large part due to the education and support they received at CJA.

“

*Here at Colombiere, Jesuit Brothers and priests who have served a lifetime as teachers, spiritual directors, missionaries and pastors, now fulfill a ministry of prayer for the Church and Society of Jesus. In this community, they reunite with friends who entered the Milford Novitiate together 50-plus years ago. Thanks to donors and friends, each Jesuit receives needed personal care and health care. All of us at Colombiere, Jesuits and staff, are grateful to the donors who help us make Colombiere a wonderful home for our Jesuit Community.*

## *Magis Society*

The Jesuits have benefited significantly from the generous support of friends and family of the Jesuits through planned gifts and bequests. The Magis Society acknowledges and celebrates the extraordinary generosity of those who choose to provide for the Society of Jesus through their estate planning.

Gifts bestowed through the Magis Society support the spiritual and education formation, living expenses, retirement, and healthcare of Jesuits. Additionally, gifts bestowed through this program assist Jesuits serving internationally and support the creation and continued service of many social ministries.

“

*Words seem cheap to me in trying to express to you my deep gratitude for your generous help and support now as before. Please know that in saying thank you, I am trying to express the feelings that I, and those Jesuits who live and work with me, have: namely that without the support of persons like you the possibility of doing something meaningful for the Peruvian people would be drastically limited.*

“

*One of the greatest consolations in my work with our young Jesuits in formation is knowing the gratitude they feel for all that they experience in their years of formation. At every Eucharist I celebrate with the men in my visits with them, at least one young scholastic or brother will raise your intention in prayer: ‘For our benefactors and their needs, and in gratitude for all who make our formation possible, we pray to the Lord.’ They are grateful men, grateful for the vital part you play in helping them live God’s will. Great consolation, indeed!*

“

*I am grateful for the many people and events that have made the reality of Jesus alive in the world present through my formation in the Society of Jesus. As I look back, remembering the faces of people and the relationships they offered, I am overwhelmed with joy. Starting in the novitiate at 21 years old, I never imagined I would be writing a note 11 years later, saying with such confidence that I have found what God is calling me to be—a Jesuit priest.*

”

Fr. Martin Schreiber, SJ  
 Doctoral Student in Education  
 Loyola University Chicago

“

*Five years ago, generous friends who believed in the promise of Jesuit education rallied together to create Chicago Jesuit Academy—a full-scholarship middle school for young men from modest economic backgrounds. Today, our first graduates fill the freshman classrooms of Loyola Academy, Saint Ignatius College Prep, and other great college prep high schools. Their successes have been made possible by the faith and the generosity of our good friends.*

“

*Our experience at St Al's is almost too good to be true! The benefactors came to our rescue and revived our lifeless hopes. All of us were once hopeless children and now we have been given a chance at bright futures where we can make a difference! I would sincerely like to render my great appreciation for our benefactors, together with Fr. Terry Charlton and the CLC members who had this dream of bringing this hope to Kibera.*

“

*We can only imagine where the Patna Jesuits would be without our co-missionaries—the benefactors, individuals and groups, who have supported our work with their donations and prayers over the past 88 years. Some of our work is self-supporting. But the village schools for the poor children, and social improvement projects depend entirely on outside help—your donations. Thanks a million, and God bless you.*

 Provincial  
 Peru Province

“  
*Thank you from the bottom of my heart to the men from the Chicago Province who have worked so well with such generosity in Peru and our many different missions. There is a true bond between the provinces of Peru and of Chicago. And also to express our deep gratitude for so many people who have been so generous through prayers and gifts to Peru.*  
 ”

Fr. Timothy Kesicki, SJ  
Provincial  
Chicago and Detroit Provinces

“

*It bears repeating that so much of what we do as Jesuits in this Province is due to your generous support. By sharing with us your sons' vocations, your generous gifts and your companionship, we are free to serve the Church and respond to the needs of God's people. As I humbly lead us through the next six years, I will strive to continue this great mission.*
